WORK EXPERIENCE

SEATTLE DEPARTMENT OF TRANSPORTATION, SEATTLE, WA

- **Seattle Transportation Benefit District (STBD) Transit Lead** *October 2020 - Present*
 - Maintain portfolio of over 180,000 service hours of STBD-funded King County Metro transit service
 - Manage transit service budget and investments needed to respond to West Seattle Bridge closure, and inform overall STBD budget composition
 - Brief SDOT leadership, City Council, and Mayor's office on STBD specifics and emerging transit issues
 - Conduct Racial Equity Toolkit process on STBD and implement findings through programmatic changes to improve equitable outcomes of the program
 - Develop and negotiate service-specific sections of new transit funding agreement with King County Metro
 - Provide department-wide transit service expertise on various projects, programs, initiatives, and policies
- **Senior Transportation Planner** *April 2018 - Present*
 - Plan and implement annual \$40M purchase of King County Metro transit service through STBD
 - Liaise between the city and the citizens' Transit Advisory Board, often on high-profile or sensitive issues
 - Coordinate directly with King County Metro service planners, engineers, managers, and communications staff on service investments, network restructures, press releases, and incident management
 - Manage and develop annual STBD performance reports, often with national press coverage
 - Lead transportation policy changes, such as implementing the Frequent Transit Network through direct and matrixed management
- **Transportation Planner** *June 2015 - April 2018*
 - Costed and delivered new transit service investments under voter-approved STBD
 - Conducted data and spatial analysis for STBD transit service investments and capital improvements
 - Designed transit spot improvements, particularly those with complex multimodal considerations, including stakeholder outreach to adjacent businesses and community organizations
 - Collaboratively created STBD's Youth ORCA program, and assisted with program operation and expansion
 - Created Route 48 corridor Performance Management Plan, a requirement for regional grant acceptance
 - Promoted from Intern to Assistant to Associate Planner over three year period with increased responsibility*

UNIVERSITY OF WASHINGTON, COLLEGE OF BUILT ENVIRONMENTS, SEATTLE, WA

- **Affiliate Instructor, Community, Environment & Planning (CEP) Program** *September 2018 - June 2019*
 - Developed and taught Senior Project Prep Seminar I and II, mentoring and advising 35 students for the full senior thesis life cycle, including project definition, methodology development, and final presentation
 - Taught Internship Course, focusing on professional development, resumes, and interview preparation
- **Program Assistant, CEP Program** *September 2014 - June 2016*
 - Created strategic goals and visions for the overall direction and growth of CEP program
 - Oversaw CEP student governance, including strategic planning and outreach to prospective students
 - Promoted continuous evolution of program to meet new needs and student interests

US DEPARTMENT OF HOUSING & URBAN DEVELOPMENT, SEATTLE, WA

- **Equal Opportunity Specialist** *January 2011 - August 2014*
 - Enforced federal anti-discrimination laws and executive orders related to housing and urban development
 - Ensured equal access to programs and hearings related to expenditure of federal funds for members of federally-recognized protected classes
 - Consulted on policy updates to affirmatively further fair housing in federal and federally-funded programs
 - Conducted compliance reviews of jurisdictions receiving federal housing funds
 - Investigated federal housing discrimination complaints based on race, disability, and familial status
